CORPORATE MAGIC  
ENTERTAINMENT

## **Interactive & Fun Close up Magic Entertainment**

This is a great chance to add a personal touch to your company event. One of the important factors in creating a really special event is to make sure that your guests start having fun right away... minutes after they arrive. This is an interactive show that combines Magic, and situational Comedy into an exciting experience. Stefan is an expert in audience interaction guaranteed to make your guests feel good and welcome at your event.

### **Performance Options:**

#### **Mix & Mingle, Roving, Strolling Performance**

Stefan moves around the room astounding your guests in small groups with sleight of hand magic and mind reading. His performance helps to break the ice between guests, who may not know each other, by creating a relaxed atmosphere. This performance style is perfect for corporate pre-dinner drinks, client cocktail receptions, hospitality suites at trade shows. About 50 people can be covered in 1 hour.

#### **Table Magic**

Stefan will move between tables and performs private shows for your guests during the meal courses allowing each table to experience his captivating performance up close and personal. This is recommended for company dinners, corporate awards nights, client lunches.

#### **Round Table Show - Close Up and Personal**

This combination of comedy magic and mind reading, is the perfect way to engage and reward a small group of valued customers, company VIPs, or top performers. Audience members sit casually around a table with Stefan as he performs for them an astounding and hilarious world-class show created just for them. The only production requirements are a table and chairs.

### **Key points**

- Customized effects including your logo and message
- Ideal to break the ice and get your guests talking
- No preparation or technical set up necessary
